

## Quarterly Newsletter - April 2018

### Intenda has a new Managing Director

After 18 years at the helm, **Etienne Fourie** has taken up the position of Chairman on the Intenda board.

**Dean Peerless**, a young dynamic CA, has been appointed as Managing Director of Intenda and will be driving Intenda's philosophy forward.

"Our vision is to become the business application and technology provider of choice; a household name."

[Full Report](#)

Intenda is in the process of integrating no less than 17 financial systems, at the same institution, utilising **GEARED Integration**.

NEW RELEASE

We are very excited to announce that the latest version of **GEARED** will be released in April 2018.

### First Franchises for Mercury

Mercury opened their first franchise in Johannesburg in March 2018. This is a major achievement in such a short period of time and paves the way for more franchises to open up soon. This franchise will offer, amongst others, short term insurance related services to Harley Davidson of South Africa. The second franchise is based in Cape Town.

### Intenda Training Academy

The Intenda Training Academy recently completed a first round of 'Fundamentals of Procurement' training sessions for representatives from SMMEs tasked by the State Information Technology Agency (SITA) with implementing the gCommerce solution.
